

*Cosy for You* is a Tour Operator which creates and promotes tourism products all over in Italy but above all in Naples, Campania and Central - Southern Italy.

*I would like to inform you that CosyForYou* organizes vacations and tourist activities **for all types of people** and moreover is uniquely qualified in taking care of clients with special needs such as the disabled, the elderly, the obese, people with nutritional disorders and families with numerous children.

Our goal is to help people from all walks of life to discover and eventually fall in love with Naples and Italy regardless of their physical condition.

We design both packages and **custom** travels and tours, but even if people are **travelling in large groups**, like students, no one misses out or feels excluded from any activity. Everyone is able to fully enjoy the beauty of the area, its history and the number of cultural and artistic sites on offer.

*CosyForYou* has at its disposal a large network of accommodations, restaurants, facilities and services in the most famous and sought after destinations. We pay particular attention to the monitoring of service standards and selecting the most accessible and convenient places with the most qualified staffs.

We are the only organization that has prepared a catalog of touristic proposals with highly personalized solutions, which cater to the individual whims, wishes, tastes, desires *and* special needs. Our database is continuously being updated as the market develops.
